

Singin' in the Rain

Drury Lane Theatre, Oakbrook, IL

NOVEMBER 29, 2012

The # 1 Greatest Movie Musical of All Time."

Singin' in the Rain is based on the 1954 film starring Gene Kelly, Debbie Reynolds, and Donald O'Conner. Exhilarating dance numbers, toe tapping score, and an effervescent love story create a delightful stage production that honors both MGM's magnificent movie musicals of the revolutionary birth of the talking motion picture. The joyous musical will leave you with a "glorious feeling," wishing for a downpour just so you can go singin' and dancin' in the rain! A delightful sit-down luncheon before the matinee performance.
