May 18 – 20, 2011

The Godby's Escorts

Calling all "Bestest" Friends! and those who want to make new ones! We're having a "Bestest Friend Event" and you and your best, very best and bestest friends are all invited. Time to shop the many quaint shops in Nashville, TN on our way to Louisville. Arriving at the famous Galt House for our 2 night stay and all of Jeanne's shows. Three humor-packed sessions and lots of free time to relax, see Louisville, spend time with your friends or make new ones. It's a Girl's Night Out that lasts at least two days, maybe more, because there's a lot to do in Louisville and many special extra events are yours for the choosing. We'll have a few men on stage during the three entertaining shows, but it's really JUST FOR WOMEN, JUST FOR FUN. Laughter will overflow with Jeanne's special guests, including humorist Hope Mihalap, Glen Ward and Jimmy Travis; vocalists Ladonna Gatlin, Jana Stanfield, and Patrick Henry, and a special Kentucky welcome from Jeanne's long-time buddy-in-comedy, Carl Hurley—America's funniest professor. You'll meet some of Jeanne's favorite "cast of characters." Toni Meredith—"Queen of the Tickets" and Jeanne's long-time assistant. Jane Tucker-wardrobe guru from New York City! "Bestest" friend Norma Rose and Jeanne's husband Jerry (aka "Left Brain") Show schedule is Friday, at 7:30 pm. Saturday, at 9:00 am & 7:30 pm. We will enjoy a luncheon on the Ohio River aboard the famous Belle of Louisville steamboat. The Belle, a National Historic Landmark now almost 100 years old, beckons with a journey back to the old river time. After, enjoy free time to visit downtown Louisville.
