

CHICAGO ARCHITECTURE

BY LAND AND RIVER

Saturday - August 16, 2025

What better way to see and learn the **ART** of Architecture that **Colors our World**. Take a ride through the heart of Chicago. Explore the Second City's most iconic and breathtaking architecture and home to some of the World's first skyscrapers. We begin at Millennium Park with our local guide, as we travel toward the historic Loop, home to Chicago's towering skyscrapers, stunning art deco lobbies, and architectural masterpieces. Along the way, you'll learn about the legendary pioneers like Frank Lloyd Wright and Mies Van der Rohe, whose innovative designs helped shape the city throughout the 20th century. After an enriching exploration of Chicago's architectural history, enjoy a delicious lunch at the iconic **Lou Malnati's**, where you'll indulge in the city's renowned deep-dish Pizza & Pasta. We continue with a Scenic **Architecture Cruise** along the Chicago River, providing an unforgettable view of the city's most impressive buildings and skyline from the water. This unique combination of history, architecture, and some culinary delights make for an unforgettable Chicago experience you won't want to miss.
